BAKERY, BAR & GRILL

Welcome to The Bracebridge, Four Oaks.

Our Menu is full of the dishes that made The Bracebridge what it is today. These are the dishes that we all remember a great restaurant. Timeless classics with a nostalgic twist yet relatable enough to live long in our memory and make us excited to create them for you. Our sharing mains are perfectly designed to be shared amongst friends and loved ones, perfectly served on our handmade crockery in the middle of our hand-crafted tables, for all to enjoy.
